*'All things are possible'*

Wednesday 8<sup>th</sup> May 2024

Dear Parents,

As part of our History curriculum, Class 2 and Class 3 will be visiting Locomotion, Shildon to explore our local railway history and discover how the railways have changed all our lives. We will also have the very exciting opportunity to climb aboard LMS Black 5 No. 5000 where we will learn all about how a steam locomotive works and what life was like for the footplate crew.

This trip will take place on **Wednesday 5<sup>th</sup> June 2024**. We will be leaving school around 9am and should return to school for around 3:45pm traffic dependent – a text will be sent to parents should we be running late. As this is an all-day trip, children will be provided with a packed lunch from school.

We ask that children:

- Have a water bottle
- Attend in school uniform and school shoes
- Have a backpack to transport their belongings
- Have suncream applied before school

The total cost of the trip to school is £1,050 (£11.67 per pupil). Therefore, we would be grateful for any voluntary contributions towards the cost of this trip. A payment has been set up of £10.00 on your child's SchoolMoney account – please feel free to overwrite this amount to whatever contribution you're able to make. A text will be sent once the payment has been opened.

Thank you for your continued support.

Yours sincerely,

Mrs Archer and Miss Worth  
Class Teacher and Assistant Headteacher
